Senator Mike Monroney  
Washington, D.C.

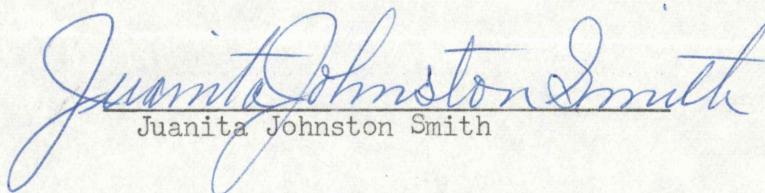

Dear Senator:

I have just returned from a trip to our old home in Johnston County where I saw and talked with my brother, Douglas Johnston.

He deeply appreciates your kind response to my wire and asked me to thank you but he does not want the appointment. I was so sure he would, I wired you without consulting him.

Thank you for your prompt response. Hope I have not caused you any inconvenience.

Sincerely

  
Juanita Johnston Smith
