The Honorable A. S. Mike Monroney  
United States Senate  
Washington, D. C.

Dear Mr. Monroney:

I received your wire on July 18, 1963, advising me the Comptroller General of the United States has rendered a decision in our favor for additional claim on our contract with the Bureau of Indian Affairs on a job here at the Fort Sill Indian School.

I appreciate your effort in assisting our company getting this additional claim. This seems like a small thing but with our company just launching out on our own in the construction field, it is indeed important. It is especially gratifying to know that our Congressmen are willing to help the "little man" when they need help.

Again, your help in this matter was greatly appreciated.

Sincerely,

S & B Construction Company
