Re: Southeast Quarter of Section
24, Township One North, Range

County, Oklahoma, containing
160 acres, the original allot-
ment of Kah-odle (Ambrose
Bautigh), Deceased Kiowa
Allottee, No. 2726.

Dear Tom:

I am very sorry to bother you, but I need your help in securing certified copies of certain documents. I am enclosing copies of letters which I have written to the Bureau of Land Management and to the Bureau of Indian Affairs, both in Washington. My experience in the past has indicated that it is a long and tedious process to get these documents, and that political help there in Washington is needed to spur these officials on and get them to take care of the request in a reasonable length of time.

We need from the Bureau of Land Management a certified copy of the following document, suitable for filing in the Office of the County Clerk of Comanche County, Oklahoma, such copy certified and sealed by the person or official having the original of such document and who is entitled to make such certification, to-wit:

The original trust patent issued August 25, 1901, under the Act of June 6, 1900 (31 Stat. L 672) covering the Southeast Quarter (SE/4) of Section 24, Township One North, Range Ten West, I.M., Comanche County, Oklahoma, containing 160 acres, the original allotment of Kah-odle (Ambrose Bautigh), Deceased Kiowa Allottee, No. 2726.

We need from the Bureau of Indian Affairs certified copies of each

of the following documents, suitable for filing in the Office of the County Clerk of Comanche County, such copies being certified and sealed by the person or official having the original of such document and who is entitled to make such certification, to-wit:

Final Probate Order on the Estate of Kah-odle (Ambrose Bautigh) Kiowa Allottee, No. 2726, who died intestate September 22, 1904, Probate No. 84075-14, approved August 29, 1914.

Final Probate Order on the Death of Amy Bear, Kiowa Allottee, No. 332, who died intestate August 23, 1922, Probate No. 51049-23, approved June 30, 1923.

Final Probate Order on the Estate of Doy-e-tone, Kiowa Allottee No. 2725, who died testate February 28, 1926, Probate No. 45040-25, approved March 10, 1928.

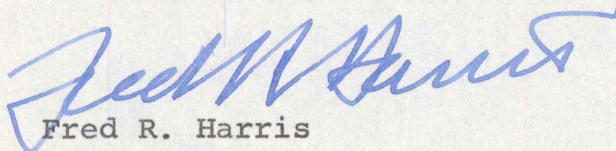

Final Probate Order on the Estate of White Horse, Kiowa Allottee No. 708, who died testate May 26, 1949, Probate No. 5497-50, approved March 10, 1950.

Final Probate Order on the Estate of Amy Laura Bear, Kiowa Allottee, No. 3361, who died intestate March 21, 1958, Probate No. 11185-58, approved August 8, 1958.

The reason why time is so important to us is that our client, Sam McGee, has borrowed money from a local bank until the title can be made marketable and he can thereafter secure long-term financing which has already been arranged and pay off the local bank. A note from the office of Senator Monroney would be most helpful and greatly appreciated. Best personal regards.

Sincerely yours,

HARRIS, NEWCOMBE, REDMAN & DOOLIN
