Dear Mike:

Martin and I appreciate very much the help you have given us with Ralph W. Mize, Chief, Architectural Section, Branch of Plant Design and Construction, 923 San Pedro Drive, P. O. Box 8327, Albuquerque, New Mexico, in regard to architectural and engineering work on the Indian Hospital proposed for construction at Lawton, Oklahoma.

We have written several letters to him and have suggested an appointment at his convenience to discuss this matter.

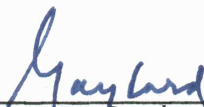

We do need some work and hope we shall be so fortunate to be employed on this project.

With warm personal regards, I remain

Yours very truly,
