Mr. Henry E. Roberts

Dear Mr. Roberts:

Thank you for your letter requesting information on the progress of H. R. 5517, which contains the money for the Pawnee Indian judgment.

I am pleased to report that H. R. 5517 passed the Senate yesterday with the entire amount of \$7,315,985.70 for the Docket No. 10 claim. Because of several amendments, which do not affect the payment of this claim, the bill will now go to a joint House and Senate conference so that these differences can be resolved before it can be signed into law.

If there is any other way in which I may be of service to you, please don't hesitate to call on me.

With kindest regards and best wishes, I am

Very truly yours,

1100 Third Street

Honorable A. S. Mike Monroney
U. S. Senator from Oklahoma

Dear Senator Monroney:

Reference is made to our previous correspondence relative to the Pawnee Indian land claim judgment, Docket No. 10.

I have been informed that on April 10, 1963, the House of Representatives passed the Supplemental Appropriations Bill H. R. 5517, and that the bill has now gone to the U. S. Senate for attention, which said bill contains the funds needed to carry out the Pawnee Indian land claim judgment.

In view of the foregoing, the said bill will, no doubt, come up on the floor of the Senate sometime in the near future. Therefore, I should appreciate being informed when and if the bill is finally passed by the Senate.

Thanking you for past courtesies and awaiting your further response, I am,

Very sincerely,

Henry E. Roberts

Dear Senator Monroney:

Thank you very much indeed for your response of February 4, 1963, to my letter of January 20, 1963, relative to the Pawnee Indian land claim judgment, under Docket No. 10.

In your letter, you stated that indications were that the funds would be included in the next Supplemental Appropriation Bill scheduled for consideration in the near future, et cetera.

I am wondering whether the Supplemental Appropriation Bill including funds needed to carry out the Pawnee land claim judgment has ever been introduced in Congress for consideration?

Any information you may be able to pass to me, relative to the present status of the proposed legislation will be greatly appreciated.

Very sincerely,

Henry E. Roberts
