Re: Estate of Newton McNear  
Dec., (Phoebe Cooley).

Dear Senator Monroney:

I wish to acknowledge receipt of your letter of June 14, 1963, with its enclosed letter of Ramsey Clark, Department of Justice, Washington, D. C., dated June 11, 1963.

Under the same date I received a letter from David R. Warner, Chief General Litigation Section, United States Department of Justice, enclosing a copy of the journal entry of judgment entered in the United States District Court, District of Kansas, in connection with the matter, and advice that my inquiry was being referred to the Department of Interior for further advice.

I am in hope that the information will be forthcoming soon.

Please accept my thanks for your fine cooperation in expediting this matter.

Sincerely yours,

*Charles F. Burns*
