Dear Governor James,

At our Carter County Chickasaw Tribal Council quarterly meeting January 21, 1973 motion was made seconded and approved by our Chickasaw people.

Motion: That a letter be written to Governor Overton James asking for the financial status concerning the Chickasaw Tribal funds especially the amount used in purchasing the Chickasaw Motor Inn and the balance of Chickasaw Tribal funds and where they are located.

Governor James in meeting at various places you stated that you wanted the Chickasaw people to get involved in tribal affairs. We feel a better informed Chickasaw will become more interested in tribal affairs.
