Dear Mr. Beshires:

In the absence of Congressman Albert, who returned to Oklahoma at the close of the session, this will acknowledge receipt of your letter inquiring about the next per capita payment.

The Congressman has been advised by the Commissioner of Indian Affairs that the next payment will be made some time after the first of the year and that it will amount to something over \$100 for each enrollee.

We trust that this is the information you desire and hope you will let us know if we can be of any further assistance from here.

Sincerely yours,

Jean Bain, Secretary to
