Re: Application for Removal of Restrictions
of Sam Jessie and Lewiston Jessie. NW/4
of Section 26, Township 8 South, Range
24 East.

Dear Mr. Albert:

Two full blood Indians, Sam Jessie and Lewiston Jessie, made an application for the removal of restrictions of the NW/4 of Section 26, Township 8 South, Range 24 East, being an undivided one-half interest. The application was approved by the Field Representative here and also at Muskogee Office and mailed to Washington, D. C. I do not know whether to Commissioner of Indian Affairs or the Secretary of the Interior. My clients, Sam Jessie and Lewiston Jessie, are very anxious to know the status of the application at Washington and if you will please take the matter up with the proper officials there in Washington and get an order of removal at the earliest date possible, we will greatly appreciate it.

Very respectfully yours,

Robert E. Lee
