Dear Mr. Brown:

I have your copy of your letter to the Commissioner of Indian Affairs, dated November 16, asking for a report of your interview with Mr. W.O. Roberts, Area Director of the Indian Service at Muskogee, which you presume has been made to the Washington office.

Thank you for keeping me advised in this matter.

Sincerely yours,

Commissioner of Indian Affairs,
Washington 25, D. C.

Dear Sir:

Under date of August 29, 1951, I wrote you a protest of Area Director Roberts' actions towards me. Under date of September 12, 1951, I received your acknowledgment of my letter with the statement that I would be advised further after your office had contacted Mr. Roberts.

On September 20, 1951, Mr. Roberts called me in for a conference in the presence of Assistant Area Director Talley and Personnel Officer Werrell. My protest to you was discussed by Mr. Roberts and I presume he made a report of the interview to your office.

I am interested in being advised how Mr. Roberts explained to your office my several complaints. I believe I am entitled to know his answers and conclusions.

Very truly yours,

R. Emmett Brown,
District Agent.
