This will acknowledge your letter of April 11, requesting an appearance before the committee to testify in connection with appropriations for the Interior Department and Related Agencies.

Your appearance has been scheduled for 3:35 p.m., Monday, May 12. The hearings will be conducted in Room 1114, Dirksen Senate Office Building.

In order to afford all persons an opportunity to be heard, it will be necessary to limit each witness to a fiveminute appearance. Please make every effort to keep your oral summary within that time limitation. Your full written statement will, of course, be printed in the hearing record.

Your prepared statement should be typed single spaced on letter size paper and kept to three pages. You will be asked to submit 15 copies of the statement to the committee when you testify.

Sincerely yours,

Chairman, Subcommittee on the Department of Interior and Related

Agencies
