Softball Tournament Termed Success

After repeated postponements, due to bad weather, the first Mekesukey Softball Tournament finally ended with Spaulding taking 1st place honors and Ace Loans of Moore as runners-up. Coming in third place was the Scramblers, a local team.

The tournament started on April 18, with 16 teams competing. The action was fast and furious but in the end, the best teams emerged.

Other activities have been planned for the summer which should be equally exciting and the general public is invited. Everyone come out and support your team!
