Carl,

After the ten years I've had in India!
Health you know how glad I am to
have the attached letter in my file —
whether I ever complete a roster in
Journalism with PM Pt minor, or not.

In 1964 Doctor Hodgins was with a
PHS Task Force which reviewed English
medical practice and saw nothing wrong
with Fed. Comprehensive Community Health
services.

In current traumatic PHS upheaval, this
letter about me will do him no
harm — and may help settle a few
shortsighted personnel classifiers and
