

PHS - 2nd. Health Sv

Mr. A--

Dr. Rabeau, head of Public Health Service's Indian Health division, will come out to the Hill Wednesday afternoon. He wants to come by to see me at ~~1:30~~ 1:30 p.m. that day. It likely will be about the Executive Officer position in the Oklahoma City Area office which John Spaan is seeking and which Jim Belvin and others are writing us about...

Our latest word from Oklahoma is that the Indians are sending Jim Belvin to Washington to confer about this...
