Dear Mrs. Anderson:

Thank you very much for your recent letter also signed by Lenore M. Minyard recommending Mr. John Spaan for promotion to the executive officer position in the Oklahoma City Area Office of the Public Health Service's Indian Health Division.

When we first learned of Mr. Spaan's interest, we wrote strong letters of recommendation in his behalf not only to Dr. Rabeau who heads the Indian Health Service, but also to the Surgeon General, the Secretary of Health, Education and Welfare, the Civil Service Commission and the White House.

While we have been advised that an assignment had been made prior to our recommendations, we have continued to recommend Mr. Spaan in case there should be a change in the situation. I am taking the liberty of sharing your recommendation with Public Health officials here.

I greatly appreciate your letting me know of your interest in Mr. Spaan. I will continue to do what I can on this matter.

Sincerely,

CARL ALBERT, M. C.
