Dear Dr. Frank:

Your thoughtful note of March 15 thanking us for our efforts regarding the executive officer position in Oklahoma City is deeply appreciated. As you know, we have continued to follow up with personal calls and visits with Public Health officials here and in Oklahoma to try to work something out which would be more suitable. You know that we are always glad to do everything that we can to be of help to our Indian friends.

It was good to hear from you. Charlie joins me in regards.

Our best always.
