Dear Mrs. King:

I appreciated very much your letter regarding the Executive Officer position in the Oklahoma City Area Office of the Public Health Service's Indian Health Division and your strong recommendation of Mr. John Spaan to fill the current opening.

As you know, we have continued to recommend Mr. Spaan even when we were advised that another assignment had been made. We followed up with personal calls and visits with Public Health officials in relaying other recommendations which came to us. I have now been assured by Dr. E. S. Rabeau who heads the Indian Health Division that it is the desire of the Division of Indian Health to fill this vacancy with an individual who is thoroughly familiar with the needs of the Oklahoma Indian and who has a deep interest in the Indian Health program in our State.

I am glad to have your endorsement. Please be assured that I will continue to do everything that I can to help our Indian friends.

My very best wishes to you and your family.

Sincerely,

CARL ALBERT, M. C.
