The Honorable William P. Willis
State Representative

Dear Bill:

I appreciated your April 10 letter advising of your continued support for Mr. John Spaan's placement in the Executive Officer position in the Oklahoma City Area office.

As you know, we have continued to recommend Mr. Spaan for this position, and I have relayed copies of every recommendation which I received to Dr. E. S. Rabeau who heads the Division of Indian Health in Washington. My staff and I have followed up with calls and personal visits to Public Health officials here in an effort to work out something more suitable for this important position. I can assure you that I will continue to do everything that I can to help our Indian friends.

With best wishes, I am

Sincerely,

CARL ALBERT, M. C.
