Honorable Carl Albert
House of Representatives
Washington, D. C.

Dear Carl:

I was extremely complimented by your very warm and generous remarks in introducing me before the House Education and Labor Committee when I testified on the OEO bill, and I, also, appreciate your placing my statement in the Record.

I hope it will do some good, both toward passing the bill and in helping explain the program to our people in Oklahoma.

Warmest personal regards.

Sincerely,

LaDonna

Mrs. Fred R. Harris
President
