Honorable Carl Albert  
House of Representatives  
4148 House Office Building  
Washington D. C.

Dear Representative Albert:

I am writing you about an important question that I'm sure that you have already been contacted about.

I want a "Per Capita Individual Distribution" of our judgment claims Docket No. 329A and 329B for compensation of the Cheyenne and Arapaho Indian Tribes of Oklahoma. The majority of us would not benefit from a program (S) use of our claims as proposed by the House Resolution No. 11588 Docket No. 329A and 329B recommended by the Bureau of Indian Affairs existing program.

Please give your support to a "Per Capita Individual Distribution", of our claim on an individual basis.

I would appreciate hearing from you as to your stand on this question as time will permit.

Sincerely yours,

*John P. Andersen*
