Dear Joan:

You were very kind to write after our interview the other day. It was a pleasure meeting you and talking with you.

While I do not see a trip in the immediate future to Oklahoma which would be particularly appropriate for you to join me on for "on the site" photographs, I certainly will let you know as soon as the opportunity arises.

Again, thank you for coming to the Capitol to interview me. I am flattered that you asked.

Sincerely,

Mrs. Fred R. Harris

Dear Mrs. Harris:

Thank you so much for the gracious interview yesterday. As I told Norma I'll send over a draft of the interview. I would very much like to accompany you on your next trip to Oklahoma and see a VISTA at work with you. I would like to take some on the site photographs. If there is any possibility that you might have a trip in the offing please let me know. I think it would add a vital dimension to the story.

Again, my thanks to you. You are indeed an inspiration in this weary world.

Sincerely,

Joan
