Mr. R. L. Loy, Secretary
Oklahoma City General Hospital
Oklahoma City, Oklahoma

Dear Friend:

I have your letter of the 4th instant, referring to S.191 and urging its passage.

I assume you have copies of the Bill, but for fear you do not, I am taking the liberty of enclosing two printed copies herewith for you files.

I am tremendously interested in the health of the people of our State, but try to steer clear of all legislation that tends toward socializing of the medical profession.

Thanking you for calling this to my attention, and with all good wishes, I am

Sincerely yours,

George B. Schwabe, M.C.

Dear Sir:

We are urging you to do everything you possibly can to obtain the passage of S. 191, as it is an important Bill for the State of Oklahoma. The health of this State is largely dependent upon whether or not this Bill will pass.

I shall be pleased to send you additional statistics obtained from our State survey of hospitals if you do not already have them. Please do not leave anything undone which will promote the passage of this Bill and improve the health of our citizens.

Sincerely yours

R. L. Loy, Secretary
