

NOTES - SCHWABE

Legis

December 2, 1946

Mrs. H. K. Hibbard
231 Waverly Drive
Tulsa, Oklahoma

Dear Mrs. Hibbard:

Your letter of November 25, 1946, relative to the critical housing situation, has been received in Congressman Schwabe's Washington office.

The Congressman is in Oklahoma at this time but expects to return to Washington shortly before Congress convenes early in January. You may be assured of Mr. Schwabe's appreciation of your interest in writing him, as he is always interested in having the views of his constituents. I shall bring your letter to his personal attention at the first opportunity after his return.

The housing situation certainly is bad, and this is a question which will undoubtedly come up before Congress early in its session.

With all good wishes, I am

Sincerely yours,

V. W. Dryden, Secretary

Tulsa, Okla.
Nov. 25

*Hon. Chas. Shwabe,
Congressman from Okla.*

Dear Sir:

It has seemed incredible that Mr. Wilson Wyatt could be allowed to go on in his insane way this long - long enough to make pleas like this necessary. PLEASE EITHER ABOLISH HIS HOUSING AGENCY IMMEDIATELY OR REPLACE HIM BY A MAN OF ABILITY AND MORE MATURE JUDGMENT!

It is even more than usually frightening to watch the spectacle of a young crackpot going berserk in a crisis that can never be met by wild schemes and millions of our money in his pocket to pass out as HE SEES FIT FOR BONUSES AND REWARDS AND SATURDAY WORK BRIBES OR WHATEVER HE WANTS TO THROW IT AROUND FOR!

WHAT ARE OUR LEADERS THINKING OF?

In the name of all our boys that have died and those who wait for this idiot to get out of the way of the building industry in this country so that our boys can have homes, HOMES, not enamel boxes or other substitutes for homes, SEND WYATT WHERE WALLACE WENT-OUT!

Let us hear no more of him ever, *and in Heaven's name*
Prevent those loans!

Sincerely,

MRS H.K. Hibbard,

231 Waverly Drive
Tulsa, Okla.
