Mr. R. F. Mullendore, President
First National Bank
Hominy, Oklahoma

Dear Mr. Mullendore:

Receipt is acknowledged of yours of the 24th instant relative to H. R. 2232, the so-called Fair Employment Practice Act, which may soon come before Congress for consideration.

I was requested to sign a petition to bring this measure out on the floor for discussion and consideration, but I have not and shall not sign the petition.

I note you disapprove of the bill and fear the consequences of the enactment of such a law. My present inclination is to agree with you heartily, and I am confident you will not be disappointed or displeased when you learn of my vote on this legislation, if it does come before the House for a vote.

Thanking you for writing me, I am

Sincerely yours,

George B. Schwabe, M.C.

Dear Mr. Schwabe:

I am informed that H. R. 2232 is in the hands of the Rules Committee of the House. This is an account style "fair employment practice act." I do not know that there will be any danger of this bill being passed. I think it is a very dangerous piece of legislation. As I understand it, it is a matter that would delegate tremendous legislative and judicial powers to a government bureau. Anytime that you have an opportunity, I wish you would study this bill carefully; and if you see it as I do, that you would work and vote against it.

Yours very truly,
