Mr. C. I. Pontius, President
The University of Tulsa
Tulsa, Oklahoma

Dear Mr. Pontius:

This is in reference to your letter of October 15, which was misdirected in the mail and has recently reached our office. We regret the delay, but hope this information will be of value to you.

The disposal of surplus house trailers and demountable houses is the responsibility of the National Housing Administration. That Agency has recently announced a program to aid the educational institutions in the housing of veterans. A reserve of 10,000 units will be made available to universities and colleges as well as to municipalities for veterans and their families.

It is suggested that you communicate with the Regional Office, National Housing Administration, Dallas, Texas for detailed information.

Sincerely yours,

(Signed) W. Stuart Symington
