Mr. I. W. Ingram, County Attorney
Jay, Oklahoma

Dear Judge:

I am pleased to acknowledge receipt of your letter of the 5th instant enclosing clipping from the Tulsa World stating that President Truman had just signed the curative act recently passed by Congress.

I did a great deal of work on this bill, and it is a composite of three bills originally introduced in Congress. I think it will be very helpful to our people in Northeastern Oklahoma.

Since the bill was signed by the President, I ordered copies enough to distribute to each and every lawyer in my District; but the Public Printer informed us that it will be a little while before they are published and ready for distribution. As soon as I have them, I shall send you a copy.

Please do not hesitate to let me know when I can be of further service to you. In the meantime, I beg to remain, as ever,

Your Friend,

George B. Schwabe, M.C.

P. S. Judge Thomas from Miami, your District Judge, and Mr. Monroe, his reporter, just left the office a few minutes before your letter was received. I had a very pleasant visit with them, and enjoyed it so much. Coincidentally, I inquired of your health, and they said you were enjoying your usual good health, which I was glad to hear.

G. B. S.

I. W. INGRAM,
COUNTY ATTORNEY
ELOISE KENNEDY,
SECRETARY

OFFICE OF COUNTY ATTORNEY

DELAWARE COUNTY

JAY, OKLAHOMA

Hon. George W. Schwabe, M. C.,
New House Office Bldg.,
Washington, D. C.

Dear Mr. Schwabe:

Calling your attention to the above item which appeared in recent issue of the Tulsa World, will state that I would like very much to have a copy of this law, as it apparently affects the title to a number of tracts of land in this county.

Thanking you for your prompt attention to this matter,

I, am sincerely yours,

I. W. Ingram

Truman Signs Bill Making
Tribal Land Sales Legal

WASHINGTON, July 3 (AP)—President Truman today signed a measure to make legal sale of certain lands by Indians of the "Five Civilized Tribes" of Oklahoma during the past 15 years.

These were instances where the Indians bought land with restricted money (held in trust by the government) and thus had legal title, but resold the land without the required permission of the secretary of the interior. The measure legalizes the latter transactions.
