Mr. B. A. Lewis
Attorney at Law

Dear Friend Lewis:

I have your letter of June 29 requesting copy of the Indian title validating act which recently passed Congress and has been approved by the President.

I shall be happy to send you a copy of this act as soon as it is printed and ready for distribution as a Public Law. I have ordered a sufficient number to enable me to send one to each lawyer in my district and you may be assured that I shall be happy to send you a copy. It may be a week or two before these copies are received from the printer.

Please feel free to call upon me whenever I can be of any service to you and in the meantime I beg to remain, as ever

Your friend,

George B. Schwabe, M. C.

Honorable George Schwabe
Member of Congress
Washington, D. C.

My dear Mr. Schwabe:

I noticed a few days ago an Associated Press report that there is a bill before Congress validating certain classes of Indian titles by reason of the fact that the deeds were not approved by the Secretary of the Interior. I am very much interested in this legislation and if you can send me a copy of the bill and let me know the prospects of it becoming a law, it will be much appreciated.

With best wishes, I am,

Yours very sincerely,

B. A. Lewis
