Hon. George B. Schwabe, M.C.
Washington, D.C.

Dear George:

Many thanks for your wire of June 21st, advising of the passage in the Senate of the curative act on our Indian land titles, involving partition and other matters. We appreciate very much the interest the Oklahoma delegation has taken in this curative measure and it will save a lot of trouble and litigation.

I appreciate very much your keeping me advised.

Sincerely yours,

Attorney.
