Dear Joe:

I found your note on my desk yesterday afternoon, and am indeed sorry that I did not have the opportunity to say good-by and best wishes for a pleasant trip home.

You may rest assured that I will do my best for the Civilization Fund bill. The material in the Redman ought to prove very helpful. If anything should develop where you can help, I will let you know.

I am                      With warm personal regards and best wishes,  
   Cordially and sincerely yours,

Wesley —

I believe there is nothing more I can do about the "Civilization Bill," but my heart is with it in all its adventures. Please don't let it die if you can possibly save it.

Perhaps something might be done in Conference?

If I can be of any help whatever — with Tobor or ~~Cochrane~~ Cochrane — or in any other way, let me know.

Be sure to make every use of the Pratt article in the Redman — this evidence is strong and may appear.

Best of love to you, and my sincere expression of appreciation for Tribal and personal favors.

To —
