Hon. W. E. Disney, Member of Congress
Washington, D.C.

My dear Mr. Disney:

I am informed that Senator Thomas has secured the passage in the Senate of a bill providing for the payment of the Osage Civilization Fund. As I understand it, the bill now goes to the House Indian Committee for its report. I want to ask you on behalf of myself and my people to give your very best efforts to have this bill favorably reported out of the House Committee and do everything to secure its passage at an early date.

I know that you and the other Congressmen from Oklahoma can help a great deal in this matter, and my people are expecting you to render every service you can toward securing the passage of the bill. You have been very good to me and have promised me many times that you would help on this bill, and I feel sure that we can depend on you.

With very best wishes, I am,

Sincerely yours,

Fred Lookunt
