Honorable George B. Schwabe,

Washington, D.C.

Friend Schwabe:

I do not think the Indian Claims Commission Bill will in any mannner adversely affect the Osage Civilization Bill you introduced.

The Court of Claims passed upon the Osage claim favorably to the Osages and recommended that Congress appropriate the money to pay same.

We all hope Congress will appropriate the money to pay same.

Thanks for your interest and with hopes that you and Senator Thomas may induce Congress to pay this just claim of the Osages.

Sincerely yours,

C S Macdonald
