Dear Fried:

I am just in receipt of your letter of the 3rd instant, asking for a copy of H.R. 4497, frequently referred to as the Indian Claims Commission Bill. I am happy to be able to comply with your request and enclose herewith two printed copies of this Bill.

With reference to the activities of Mr. Fox in connection with the old age pension, I have little or nothing to say. He has been up here two or three times, and as far as I know accomplished very little. He was in my office and talked to me. I think he and everyone else knows that I stand for doing away with all of these snoopers. I want to pay the old age pension, and I believe it should be subject to only two qualifications; one, a requirement that they be citizens of the United States; two, I think they should have attained the required age. Then we won't need snoopers and campaign followers to go around and be-devil the old people. Then the old people will gain the money the snoopers are now getting in their checks.

In reference to the next Governor of Oklahoma, I think we have a wonderful opportunity to elect Olney Flynn. He is one of the best men that has offered himself for this post, and the best part of it is that he is a good Republican, a Christian gentleman and thoroughly capable.

I enjoyed your letter and was glad to be able to serve you. I hope you will not hesitate to call upon me at any time I can be of service to you.

With every good wish, I am

Sincerely yours,

Mr. George B. Schwabe; Phoned

Dear Sir: I would like  
very much to have a copy of  
the bill pertaining to the Indians  
it is, H. R. 4497. Well politics  
is warming up here.

This man Fox is doing his best  
to put the Democrats over with the  
Old age voters we should do something  
about this at once

Now if Dixie Gelmore gets beat  
in the primary we should elect  
the next governor if we put forth  
a strong effort

Respectfully

W. H. Claus
