Dear Mrs. Myrick:

I have your letter of the 16th instant which I found on my desk upon my return to Washington this morning, referring to the Indian Claims Commission Bill pending before Congress, and the meeting which you had at 1436 North Greenwood in Tulsa on February 20th.

I am sure this is the meeting you called me about while I was in Tulsa a few days ago, and I certainly was sorry that I could not be present. I had not received your letter, and was glad you called me. I hope you had a good meeting, and that everything is going along fine for you.

With best wishes, I am

Sincerely yours,

George B. Schwabe, M.C.
