Hon. Geo. B. Schwabe, M. C.
House of Representatives
Washington, D. C.

Dear Congressman Schwabe:

Enclosed is copy of a letter which I am today writing
our mutual friend Congressman Stigler, in reply to one from
him asking that I comment on the claims commission bill
now before the Congress.

On the face of the bill and the committee's report
outlining its provisions there is no chance of any recovery
for any Indian tribe of the Congressman's district, yours
or mine; I cannot consistently support it.

With kind personal regards,

Sincerely,

JB/c
