Dear Sir:

I received your letter of March 3 and it was greatly appreciated. I greatly appreciate your interest in the welfare of the introduction of the two measures in which were mailed to you for your approval and to introduce it. This committee certainly will appreciate you pressing every effort to get these two bills and measures to become a law at the earliest date possible. When you have summarized the bill appointed with and placed of record please send me several copies that I might send to various committee members that we may help you in every possible way to push these measures through the Mississippi Chotaw bill and its amendment and the Shawnee bill.

Yours very truly,

*Chas. Mrs. M. D. Myrick*
