talk to you. I am too sick to write you intelligent letter
Anastalk to you about this hospitilization and school is
best solution for all Indians, and forget about money matter.
I hope you will introduce such bill if Stigler is defetaed.
It will appeal to intelligent Indians and that would fill
our 1940 and 1944 national platform and good politicé too.
You gave this your attention and analises of Indian bureau
since burau was organized nearly 150 years ago. No doubt they ~~will~~
will surchagge us since creation of indian bureau that would *be*
large sum of money.

You can depend on me that I will stand by you all time to come
and i am glad that you want me to givd my hand to you, so here
I am.,

With best wishes to you, I am,

Sincerely
