SCHWABE COLP

May 28, 1946

Mr. W. R. Seaton  
R 1, Box 433  
Bartlesville, Oklahoma

Dear Friend:

I have your letter of recent date, referring to the coal strike and John L. Lewis' attitude and actions.

Now we have the railroad strike. This situation is most deplorable. Our very existence and our form of Government is being put to the test. The President could and in my opinion, should have taken charge of the situation long ago, and cut out all of this appeasement, pampering and petting of the labor bosses and racketeers.

At last I hope public sentiment has stirred him to the point of action.

Thanking you for your interest and with all good wishes, I beg to remain

Sincerely yours,

George B. Schwabe, M. C.
