Congressman George E. Schwabe
Congressman from Oklahoma
Washington, D. C.

Dear Congressman Schwabe:

Please, do PLEASE get behind
legislation that will curb rapacious unionism
and Federal favoritism toward unions.

There are many thousands of us,
although we are not organized, that are victims of
the "favor labor" policy.

We need someone to speak for us.

1701 S. Baltimore
Tulsa, Oklahoma

Very truly yours,

Mrs. Harry Galey
