

SCHWABE COLL *for*

October 25, 1945

Mr. Webster N. Jones, Director
College of Engineering
Carnegie Institute of Technology
Schenley Park
Pittsburgh 13, Pennsylvania

Dear Web:

I have your letter of the 19th instant enclosing "A Proposed Labor Act" which you say was prepared by Mr. A. W. Robertson, Chairman of the Board of the Westinghouse Electric Corporation. I hasten to acknowledge receipt of your letter and enclosure, even before I have an opportunity to study the proposal, but I know it is entitled to the serious consideration which I shall give it, or you would not have sent it to me. I shall be anxious to read and attempt to digest it at my first opportunity.

You speak of my belated visit. I have spoken to my family almost every week relative to my desire to visit you people over some week end, but we have been unusually busy and so many things have interrupted our plans, that we have made from time to time to drive to Pittsburgh, that I do not now know just when we can make the trip.

I might say that my son, Bob, is here. He has been here several days and is being relieved from the service. He was the last of the four boys to enter the service, and apparently will be the first to be released. He had not visited us since we have been here, and I wanted to have him up here for a few days. He drove through and is leaving for home today. He and Millie are happy in anticipation of becoming proud parents within a few weeks. Hence his anxiety to get back home. I think he has definitely decided to go on one of my farms and look after my interests in Oklahoma, which will be a great pleasure and relief to me.

Please tell Mrs. Haire that I shall continue to perservere in my determination to come to Pittsburgh until I actually do get there. I shall not forget her 95th birthday unless something absolutely prevents my remembering it at the proper time.

With kindest personal regards to Nettie and her mother, I am

Sincerely yours,

George B. Schwabe.

CARNEGIE INSTITUTE OF TECHNOLOGY

SCHENLEY PARK

PITTSBURGH 13, PENNSYLVANIA

OFFICE OF THE DIRECTOR
COLLEGE OF ENGINEERING

October 19, 1945

The Honorable George B. Schwabe
House of Representatives
Washington, D. C.

Dear George:

I am sending you for your information a draft of a proposed labor act which has been formulated by Mr. A. W. Robertson, Chairman of the Board of the Westinghouse Electric Corporation. This proposed act impressed me so favorably that I felt that you would be most interested in it. Mr. Robertson is one of Pittsburgh's outstanding industrialists and philanthropists.

The termination of hostilities has probably delayed your visit to Pittsburgh. We shall be expecting you. Mother will celebrate her 95th birthday on December 27.

Nettie and I had a ten-day vacation in September. We went to Dartmouth College where William is studying.

With kindest personal regards and best wishes, I am

Sincerely yours,

Webster N. Jones
Director
