TULSA, OKLAHOMA

MARCH 7, 1946

Hon. E. H. Moore
Hon. Elmer Thomas
Senate Office Building
Washington, D. C.

Dear Senator:

I am in favor of collective bargaining by Labor Unions but I am also in favor of holding them responsible for their acts and therefore I believe that the Senate Joint Resolution No. 133, recently introduced by Senator Byrd of Virginia, should be passed by both the Senate and the House.

Such unlawful activities as are sponsored by the irresponsible labor leadership will soon destroy our national credit and our form of Government if we do not soon have the courage to stop it by proposed Legislation.

I do hope that you will support this legislation.

Yours very truly,

L. Ray Bush
