Dear Friend:

I am just in receipt of your letter of May 8th with respect to certain labor racketeer leaders, and assuring me that the general public, the American people, are getting fed up with communism, and pleading for a return to the American way of life.

You speak my language. My votes in Congress and all my speeches, will show that I am in favor of just what you advocate. We have already had too much of this thing of "clearing with Sidney" and otherwise catering to racketeers of one kind and another.

Thanking you for writing me, and with all good wishes, I am

Sincerely yours,

George B. Schwabe, M.C.

Hon George Schwabe,

House Of Representatives,

Dear Sir,

As an Oklahoman and American Citizen, I would very much appreciate that all legislation be set aside for the emergency that now exists, and that laws be enacted immediately to control America's two public enemies, Numbers 1 & 2, John L Lewis, and Sidney Hillman,.

The American People are getting fed up on Communism, let's try to get back to the American way of life.

Thank You

R.W.Conn
