*Labor Draft*

March 19, 1945

Mr. George C. Anderson  
10 East Fourth Street  
Tulsa 3, Oklahoma

Dear George:

I am certainly pleased to have your letter of the 15th instant, and note that you read my talk on the labor draft bill. I beg the liberty of sending you a copy of my speech on the nurse draft bill, and hope you will have time to read it and let me know what you think about my attitude on this latter subject.

Now, George, there is one thing about me, and you have known it all these years. I say what I think and nobody has to look back to see whether or not I am coming. I am against this New Deal and all its programs from start to finish, and my votes will so indicate, as they already have up to date.

With kindest personal regards and best wishes, I beg to remain

Sincerely yours,

George B. Schwabe, M. C.
