Honorable George Schwabe
House Office Building
Washington, D. C.

Dear Sir:

We cannot permit this opportunity to pass without informing you just how pleased we are that you voted for the Case Bill (H.R. 5262) along with other courageous Congressmen. As you know this is much needed and sound legislation. May you continue your efforts in this direction.

Very truly yours,

CAPITOL STEEL & IRON CO.

Lawrence V. Van Horn
