Labor  
(Case Bill)

February 6, 1946

Mr. H. P. Cook  
President and General Manager  
Guthrie Cotton Oil Company  
Guthrie, Oklahoma

Dear Mr. Cook:

I am just in receipt of your letter of the 2nd instant relative to H. R. 5262, the so-called Case Bill, urging me to continue to support the same.

As a matter of fact, I don't think this bill is quite all it should be; but it certainly is a step in the right direction, and according to the overwhelming demand of the people of my District, they agree with me.

Incidentally, I wish you could get your Congressman to see where this Administration is leading us; we will wind up with some form of totalitarianism and ultimate dictatorship, if the trend is not curbed.

Thanking you for your interest, I am

Sincerely yours,

George B. Schwabe, M.C.

Hon. George Schwabe,  
House Office Building,  
Washington, D. C.

Dear Sir:

According to the latest papers, the Case Bill- HR 5262 is scheduled to come before your body early next week for consideration.

We want to congratulate you on the stand you have taken in favor of this important bill and assure you that we support you in the stand you have taken. We trust that you will continue to support this bill, as we feel that it is of great importance to the country as a whole, and especially to Oklahoma.

During the last several months when strikes have been so prevalent, industry and labor have been hurt in about the same degree, but the many millions of people who apparently are not directly affected by these strikes are the ones who will eventually have to pay the enormous bill occasioned by these unnecessary strikes. It is therefore, for these millions that apparently have no voice in the matter, that I am appealing and I strongly urge you to support in every way possible this important and necessary legislative bill.

Yours truly,

*H. P. Cook*
