Legis

Hon. Geo. B. Schwabe,
United States Congressman,
House Office Building,
Washington, D. C.

Dear Congressman Schwabe:

We, in organized labor, request you re-
consider the passage of President Truman's
labor legislation when the bill comes back from
the Senate.

This legislation will hamstring labor's
hands and place us under Military Control.

Respectfully yours,

Arthur L. Cross

Arthur L. Cross, Secretary-Treasurer
