Dear Mr. Schwabe:

Thanks very much for your attentive letter of February 26th, in answer to my letter of February 21st, in regard to the farm labor and farm production situation. I have no objections to your use of any of the statements which I made in that letter. In fact, if you feel that you would care to have additional statements, I should be glad to give them to you, upon request.

Yours very truly,

Chas. D. Thomas
