My dear Mr. Schwabe:

Thank you for your promptness
with reference to "Patent" information

May I ask a question...

Suppose the public saw that the
money they invest in Liberty Bonds
said to "create a fund out of which to
aid veterans etc" was loaned (given) to
Great Britain --- ????

Great Britain should be loaned U.S.
funds when she produces valid collateral
and is a promising keeping, honorable
nation - until then "there will always be
an England --- if Uncle Sam supports
her -

just one very small weak voice -- !

Again thank you

Very sincerely,

Fred K. Smith
