Dear Mrs. Jamison:

I am just in receipt of your letter in reference to the proposed British Loan.

I have received many letters on this subject, most of which opposed the loan. I have also made a poll of my District. I sent out 40,000 copies of Questionnaires to an average of one to every four voters in the District and the returns show an overwhelming disapproval. The same general results are shown in polls from all over the United States.

I am open to conviction at all times and I assure you that I want to that which seems to be for the best interests of our people in the future welfare of this country and humanity at large. Hence I thank you for your letter and the interest you have manifested by writing me.

With all good wishes, I am

Sincerely yours,

George B. Schwabe, M. C.

Dear Mr. Schwabe:

As one of your Constituents, I should like to urge you to vote for the loan to Britain when it is presented on the floor.

I feel that it is most necessary to insure world trade, future peace and prosperity.

Very Sincerely,

(Mrs. E. A.)
