Dear Sir,

I was wondering if you think enough
about merchant Seamen who have helped in winning
this War by keeping the Ships sailing and delivering the
men good to all our fighting fronts. If you do
you can show us by using your influence toward the
Passage of bill No 4007 So that our merchant
Seamen will have something after this War is
over to start out in the world again. Thanking
you in advance and hoping to hear from you.

I remain

Respectfully Yours
Benjamin W. Ho.
