Mr. R. G. Granger  
Post Commander, AMVETS  
American Veterans of World War II  
Tulsa Post  
Tulsa, Oklahoma.

Dear Mr. Granger:

A Representative of the National Headquarters of the AMVETS called upon me recently and gave me your letter and a copy of a Resolution adopted by your Chapter voicing your position on the Merchant Seaman's War Service Act, H. R. 2346 and stated that he would like for this Resolution to be introduced in the Congressional Record.

✓ I introduced the same yesterday and I am sending you two copies of the Congressional Record that you may know that I have done so.

I trust you will always feel free to call upon me whenever I can render any service to you and your Organization.

I think you know that I had four sons all in the Service during the last war and that I am in sympathy with all of the problems concerning the veterans and the proper solution of same, for their future welfare.

With kindest personal regards, I am

Sincerely yours,

George B. Schwabe, M. C.
